

TO: All Music Teachers of 4th – 6th Grades.
FROM: Carol Competition Committee, Fort Worth Civic Orchestra.
DATE: August 07, 2017

Dear Music Teacher,

It is once again time to start planning for the annual Fort Worth Civic Orchestra Carol Writing Competition.

Open to all 4th, 5th, and 6th grade students, this contest gives young aspiring composers and songwriters an opportunity to write a seasonal carol, have it professionally orchestrated for full orchestra and voice, and then hear it performed in concert as our guest at our annual Teddy Bear concert. This year's concert is scheduled to be performed in Truett Auditorium on the Campus of the Southwest Baptist Theological Seminary, on Saturday, December 16, 2017.

The carol should be seasonal in nature, having a theme based in Fall/Winter, Christmas, Hanukkah, New Year, or general holiday, but should be pertinent to the Holidays associated with Winter break. It can be composed by an individual student, a group, or a class of students. Teacher help is acceptable in the refinement and charting of the song but the melodies and lyrics are to be originated by the students. If the teacher writes out the song by hand or using software, please include a copy of the student's original work in the package. Judging will be based on the melody and the lyrics.

Entries will need to be received no later than Saturday, October 14, 2017. Minimum requirements for submission are a charted melody line with words written under the music in song form indicating the fit of the lyrics with the melody. The entry package must also include a submission form for each carol submitted and identifying information on each sheet of paper included.

In the past we have been amazed at the quality of the submissions and we look forward to this year's entries. All requirements, dates, and contact information are contained in the attached package. Copies of these forms as well as examples of past entries can be found online at www.fwco.org.

Sincerely,
Lisa Martin, Dan Stevens, and Peggy Tinius
Fort Worth Civic Orchestra Carol Competition Committee.

Annual Carol Competition - 2017

CONTEST HELP SHEET

Compose a melody with words in carol form depicting a holiday theme (i.e., Winter, Christmas, general holiday, Hanukkah, etc). Teacher help will possibly be needed in writing down and refining the music, and this is acceptable, but the creative aspects of composing the original melodies and lyrics is expected to be the student's. Remember, this is going to be orchestrated for full orchestra, more than one verse is encouraged. We have included copies of past entries as examples.

The contest is open to 4th, 5th, and 6th grade students.

Entries must be received on or before Saturday, October 14, 2017. Please include a separate submittal form for each carol.

The judges will select the winner or winners, grading the composition on the basis of melody and lyrics. The carol will then be orchestrated and performed by the FWCO at our annual Teddy Bear Concert. At this concert the winning students and their teachers will be recognized.

All winning submittals, as well as the finished, orchestrated works, will become the property of the Fort Worth Civic Orchestra.

For further information or to submit entries, please call, text or e-mail:

Lisa Martin - 817-879-7584, ljmartin210@gmail.com

Dan Stevens - 817-675-3622, danrstevens@att.net

Peggy Tinius - 817-731-2545 (home),
817-657-1418 (cell)
