

**TO:** All Music Teachers of 4<sup>th</sup> – 6<sup>th</sup> Grades.  
**FROM:** Carol Competition Committee, Fort Worth Civic Orchestra.  
**DATE:** July 26, 2022

Dear Music Teacher,

It is once again time to start planning for the annual Fort Worth Civic Orchestra Carol Writing Competition. While there still is some uncertainty with the continued threat of COVID and new strains always hanging over our heads, we expect our season and concerts to go on as planned.

Open to all 4<sup>th</sup>, 5<sup>th</sup>, and 6<sup>th</sup> grade students, this contest gives young aspiring composers and songwriters an opportunity to write a seasonal carol, have it professionally orchestrated, normally for full orchestra and voice, and then hear it performed in concert as our guest at our annual Teddy Bear concert. The 2022 Teddy Bear Concert is scheduled for December 17, 2022 at Birchman Baptist Church.

The carol should be seasonal in nature, having a theme based in Fall/Winter, Christmas, Hanukkah, New Year, or general holiday, but should be pertinent to the Holidays associated with Winter break. It can be composed by an individual student, a group, or a class of students. Teacher help is acceptable in the refinement and charting of the song but the melodies and lyrics are to be originated by the students. If the teacher writes out the song by hand or using software, please include a copy of the student's original work in the package. Judging will be based on the melody and the lyrics.

Entries will need to be received no later than Saturday, October 15, 2022. Minimum requirements for submission are a charted melody line with words written under the music in song form indicating the fit of the lyrics with the melody. The entry package must also include a submission form for each carol submitted and identifying information on each sheet of paper included.

We know this year may continue to be a challenging for all and we will be especially appreciative of the effort it will take to get entries created and submitted. All requirements, dates, and contact information are contained in the attached pages. Copies of these forms as well as examples of past entries can be found online at [www.fwco.org](http://www.fwco.org).

Sincerely,  
Dan Stevens  
Fort Worth Civic Orchestra Carol Competition Committee.

## **Annual Carol Competition - 2022**

### **CONTEST HELP SHEET**

Compose a melody with words in carol form depicting a holiday theme (i.e., Winter, Christmas, general holiday, Hanukkah, etc.). Teacher help will possibly be needed in writing down and refining the music, and this is acceptable, but the creative aspects of composing the original melodies and lyrics is expected to be the student's. Remember, this is going to be orchestrated for full orchestra, more than one verse is encouraged. Examples of past winner entries can be found on our website, [www.fwco.org](http://www.fwco.org).

The contest is open to 4<sup>th</sup>, 5<sup>th</sup>, and 6<sup>th</sup> grade students.

**Entries must be received on or before Saturday, October 15, 2022. Please include a separate submittal form for each carol.**

The judges will select the winner or winners, grading the composition on the basis of melody and lyrics. The carol will then be orchestrated and performed by the FWCO at our annual Teddy Bear Concert. At this concert the winning students and their teachers will be recognized.

All winning submittals, as well as the finished, orchestrated works, will become the property of the Fort Worth Civic Orchestra.
